## **From the Mayor's Desk**

The City is actively working to promote the area. The City Website [www.cityofmarseilles.com](http://www.cityofmarseilles.com) is going to be reconstructed not only to continue to be of value to residents but also serve to attract visitors and tourism. As part of our marketing, please visit the new Face book Page "Visit Marseilles". Please feel free to post and share in order to help us promote our beautiful community. If you haven't liked the City of Marseilles Face book page, please visit that as well.

## **Water Department Information**

We are pleased to present the City of Marseilles Illinois' Annual Water Quality Report (Consumer Confidence Report) as required by the Safe Drinking Water Act (SDWA).

This report is designed to provide details about where your water comes from, what it contains and how it compares to standards set by regulatory agencies. This report is a snapshot of last year 2018 water quality. This year your tap water met all USEPA and state drinking water health standards. Our system safeguards its groundwater supply and we are able to report that we had no violations of a contaminant level or any other water quality standard. For a copy of this report, or more information, or for any questions relating to your drinking water you may contact:

Paul Rivett (815)795-4000.

**To view the CCR reports go to [www.cityofmarseilles.com](http://www.cityofmarseilles.com). Under Public Notices go to Water Quality link to the North & South Report. You may also request a copy at City Hall.**
